FOPIA's Christmas Lunch Saturday, 9th December 2017

This year The Friends of Peel Island Association held its annual Christmas Lunch on the side verandah of

Cleveland's Sands Hotel. Fourteen

members and friends attended the

Sand's scrumptious food and finished with a portion of Christmas pudding supplied by Secretary, Karilyn Beiers. The side verandah proved to be an ideal setting as it was

protected from the noise from the main eating area, although, as the afternoon progressed, the sun necessitated a

slight shift of the tables away from its

greedy rays. President, Scott Fowle, presided over the drawing of raffles and handing out the gifts.

In all, it was a delightful afternoon.

All the best for 2018!
